

## Revising with AI – Strengthening Your Narrative

### Revised Personal Narrative Rubric

Criteria	Exemplary	Proficient	Developing	Beginning
<b>Structure</b>	The narrative has a clear introduction, conflict, turning point, resolution, and reflection.	The narrative includes most structural elements with minor gaps.	The narrative shows some structure but lacks key elements.	The narrative lacks clear structure and organization.
<b>Voice &amp; Emotion</b>	Strong personal voice and emotional depth throughout the narrative.	Some personal voice and emotion present, but inconsistent.	Minimal voice or emotion; feels generic or flat.	No clear voice or emotional connection evident.
<b>Revision &amp; Refinement</b>	Evidence of thoughtful revision and improvement from initial draft.	Some revision evident; minor improvements made.	Limited revision; changes are superficial.	No evidence of revision or refinement.

## Reflection Rubric

Criteria	Exemplary	Proficient	Developing	Beginning
<b>Clarity</b>	Ideas are clearly expressed with strong organization and detail.	Ideas mostly clear; minor lapses in organization or detail.	Ideas somewhat unclear or lacking detail.	Ideas unclear and poorly organized.
<b>Depth of Analysis</b>	Insightful comparison with critical thinking about AI's role and limitations.	Some analysis present; shows basic understanding.	Limited analysis; mostly descriptive without deeper insight.	No meaningful analysis; lacks understanding of AI's impact.
<b>Awareness of Bias</b>	Identifies bias/inaccuracies and explains their impact on storytelling.	Mentions bias/inaccuracies but does not fully explain impact.	Minimal mention of bias/inaccuracies; lacks explanation.	No mention of bias or inaccuracies.
