Social Media, You and A.I.

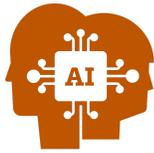

Student Reflection Guide

Which social media and A.I. platforms do you currently use?

How often do you use them?

Are there any social media and A.I. platforms that you have used in the past that you no longer use?

Why did you stop using these platforms?

WeTeach_AI

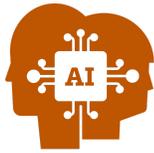

What types of media do you expect to see on these different platforms?

- TikTok:
- A.I.(specify which platform):
- Social Media (specify which platforms):
- YouTube:
- Television:

Why do you think some forms of media and A.I. work better on certain platforms than others?

How do you see the future of social media, television and A.I. evolving in the next year? 5 years? 10 years? 50 years?

How do you see yourself interacting with these future changes?
